Poland Parents and Guardians,

This year, the Ohio Department of Education has added a new requirement to report students who have a parent or legal guardian who is an active member of the Armed Forces or National Guard.

Poland Schools is responsible for reporting the option that best describes the student's Military Student Identifier status at any point during the school year. If a parent(s) or legal guardian status changes from "B" to "A" or vice-a-versa, we are required to report the latest occurring option.

Please fill out the form below and return to your child's school as soon as possible. Thank you so much for your attention to this very important requirement.

Sincerely,

David Janofa, Superintendent
Poland Schools
